HIP TIP

New Telemed Consent and E-Check-In Columns for Multi-Provider Schedule

Two new columns have been created for the Multi-Provider Schedule, the Telemed Consent and Status with Kiosk/MyChart eCheck-in columns.

Add the Telemed Consent? Column

This column will display the return value of “Yes”, rather than the DAR’s bullseye column icon.

1. Click the gears on the left side of the Schedule, under Dept.
2. On the General tab, type “telemed” in the search box and press Enter.
3. The Video column appears in the Available Columns section. Click Add Column.
4. Click Accept.
Add the Status with Kiosk/MyChart eCheck-in Column

1. Click the gears on the left side of the Schedule, under **Dept**.
2. On the General tab, type “kiosk” in the search box and press Enter.
3. The Video column appears in the Available Columns section. Click **Add Column**.
4. Click **Accept**.
